

EDUCATION AGENCY RELATIONS

The Board desires that staff and students of this district benefit in every feasible way from resources provided by the colleges and universities of our area. The superintendent is to keep the board informed of opportunities for shared and cooperative services between the district and institutions of higher learning. Additionally, staff members are encouraged to seek out and use the services of college and university faculty members who are willing to serve our schools as instructional resource persons.

A cooperative effort shall be maintained between the officials of the school district and St. Ludger's Elementary School.
